Better Beekeeping

The National Bee Unit in association with
Chesterfield & District BKA and Bee Disease
Insurance Ltd. present a

Bee Health Training Day

At The Avenue Washlands Nature Reserve, Wingerworth
Sunday 18th May 2014 10:00 am to 4:00 pm

Talks and practical demonstrations provided by staff from the National Bee Unit aimed at helping beekeepers maintain healthy and productive colonies of bees.

Topics will include:

- Inspecting bees for brood diseases
- Varroa monitoring and control
- Good apiary hygiene
- Comb changing techniques
- Making nucs and colony increase

This event is particularly suitable for newer beekeepers with one or more years' experience but is not intended for complete beginners. Please bring your own clean protective clothing and a packed lunch. Refreshments will be provided.

This event is being sponsored by the NBU and BDI and is free of charge. To register please contact Robin Bagnall at Chesterfield BKA - ancient.mariner74-79@virgin.net , Ivor Flatman - ivor.flatman@fera.gsi.gov.uk or on BeeBase (www.nationalbeeunit.com). Places are limited so please book early.
