

PRACTICAL BEEKEEPING COURSE FOR BEGINNERS AND IMPROVERS 2018

THE DATES.

8th April, 15th April, 22nd April, 29th April, 6th May and 13th May.

THE VENUE.

Our home apiary; Pied Finch Farm, Willslock, Uttoxeter, Staffordshire.

ST14 8NH.

THE COURSE

To be run over six Sunday mornings, starting on April 8th. The training will begin at 10am and finish at 12.30pm. Notes will be supplied as will protective clothing if needed. Both discussion and practical sessions are designed to give wide-ranging knowledge and confidence in order for students to become competent beekeepers. Each session will include hands-on experience with the bees.

THE TRAINERS

Kathy and Kevin Shaw have both kept bees for over 40 years and currently operate a honey farming business with out-apiaries situated across Staffordshire and Derbyshire. The Shaws are both disease assurance scheme accredited, having been assessed and audited by the Government's National Bee Unit inspectors. Keeping healthy bees and keeping up to date with scientific advances regarding honeybee pests and diseases are key to successful beekeeping in the 21st Century according to the Shaws.

THE COST

£125 per person. To book a place, please email info@beeworthyhives.co.uk.

Or ring 01889 562196 evenings or 07714022971 during the day.

Over-Wintered 5frame nucs of bees available from mid-April.
